MEMORANDUM

Date: October 5, 2022

To: Economic Development Commission

From: Stuart Cowie, Community Development Director

Subject: **October Meeting Cancellation**

The Economic Development Commission's regularly scheduled meeting for the second Tuesday of the month, October 11, 2022, has been cancelled. We will meet again January 10, 2022. This meeting will include the review and approval of fall tourism applications, which will open to the public in November.

In the meantime, we would encourage you to review the Partnership's August-October 2022 Report provided in the link below. This highlights the recent success of the Pitch Night program the Partnership has been promoting throughout our area.

We'd also invite you to take a look at the latest on Experience Roseburg's website provided in the links below. They have created a great page highlighting Roseburg's 150th Birthday and all the local activities associated with Roseburg's sesquicentennial. This includes two new videos showcasing our recent murals downtown and the new "Ghost of Roseburg Past" walking tour that the Economic Development Commission helped to fund, just in time for the Halloween season.
